EVENT INSTRUCTIONS

PARKING

There will be two primary areas for parking. One is the Living Hope parking lot behind our building. The second is at the Memorial Drive parking lot, right outside the gates of War Memorial Field.

If you plan on attending the outdoor service at War Memorial Field, consider parking on campus in order to reserve parking at War Memorial Field for those unable to walk or for those new to Living Hope.

There will be overflow parking in the lot beside CB West, just off of West Court Street. Once the primary lots are full, our Parking Team will begin directing traffic to this overflow lot.

If you plan on only attending the Block Party & Groups Kickoff, you may park in either of the two primary lots or in the public parking lot in front of CB West.

SERVICE ARRIVAL

If you park at the Living Hope parking lot, please walk around the front of the building to the crosswalk. This will take you across the street and onto a path that goes directly to the Memorial Drive parking lot.

There will be one primary entrance to War Memorial Field, located at the Memorial Drive parking lot. Any additional entrances will be determined on September 10. In the case of additional entrances, our Parking and Greeter Teams will be able to direct you.

RETURN TO LIVING HOPE

Please use the walking path located around the back of War Memorial Field to return to Living Hope and enjoy the Block Party festivities!
